**Advocates for THE CONSUMER HEALTH FREEDOM ACT, NC House Bill 842**

**We, the undersigned, support natural, complementary and alternative healthcare choices and  
THE CONSUMER HEALTH FREEDOM ACT HB842**

**We urge all North Carolina Legislators to support this important legislation in the 2009-2010 Session.**

The Consumer Health Freedom Act will protect your right to access and choose the full services of professional healing arts practitioners. This amendment to the medical licensing law will permit alternative health care providers to offer their valuable services and nutritional products legally and safely.
